# DOLPHIN FLAGS

# DOLPHIN FLAGS

## ADVANTAGES OF OUR PRODUCT

- \* Due to a tensioning pole at the base of the flag there is no "flapping", so the flag lasts much longer.
- \* Adjustable tensioners ensure the flag is always taut.
- \* The bow at the top is streamlined for less wind resistance.
- \* Pole swivels in the direction of the wind to ensure longer lifespan.
- \* One year warranty on pole, spike and tensioner.
